Resource Person	Topic	Major Concepts
Dr. Sanchita Das Assistant Professor Research & Development Tala Institute of Social Science Mumbai, Maharashtra	Climate Adaptation and Social Justice	a) Climate Change- deforestation b) models of sustainable livelihoods-livelihood- food and forest c) Climatic impact on society d) How to ensure justice

Convener:

- Dr. Anima Mali, Assistant Professor of Political Science, Vidyanagar College

Theme of the Webinar: Knowledge systems, sustainable livelihoods, climate justice, resilient food systems, environmental risks and sustainable development. The research is based on mainly action research, communications and reflective practice as pathways to designing participatory models of sustainable livelihoods.

About the Speaker:

Sanchita Das is presently working as Assistant Professor at the Research and Development department of TISS. She is also the founder director of Agrendia. She has associated with farming and natural resource dependent communities for her research work.

Learning outcomes:

It was discussed in the webinar that climatic change and lives of people are closely associated in every sphere. Knowledge systems, sustainable livelihoods, climate justice, resilient food systems, environmental risks and sustainable development all are main points of discussion. Participants, mainly students, will be benefited in future when they will continue their higher studies. Apart from that, anyone can apply action research.

Total Number of Participants attended: 78

Resource Person	Topic	Major Concepts
DR.SUMANTA DUTTA Assistant Professor Post Graduate and Research Department of Commerce, St. Xavier's College (Autonomous), Kolkata & State President (West Bengal) Department of Research and Innovation Wing Research Foundation of India	Strategies to Enhance Research and Academic Visibility in the Light of NEP-2020	<ul style="list-style-type: none">• Concept of Research in Academic Institution• Research curriculum in academic institution as per NEP 2020 Guidelines• Enhance the research credibility.

Theme of the Seminar:

Research is a very important aspect of any Higher Educational Institution. The New Education Policy or NEP-2020 is primarily focussed on Researches necessary for the growth of the academic Institutions at large. All Higher Educational Institutions must plan and exercise strategies to enhance the research credibility of the HEI. The seminar helps to highlight and analyse the research credibility and academic visibility of the Higher Educational Institutions and the strategies which can be adopted for the same.

About the Speaker:

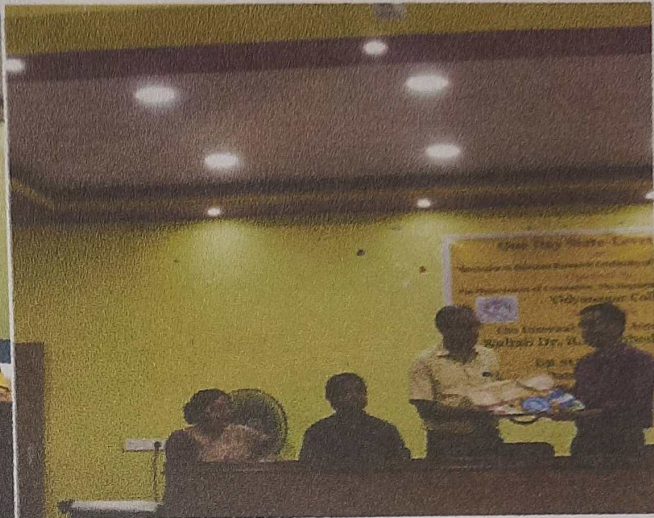

Dr. Sumanta Dutta at present is an Assistant Professor in the Post-Graduate and Research Department of Commerce, St. Xavier's College (Autonomous), Kolkata under the University of Calcutta, West Bengal. He has over 19 years of experience in teaching and research. He has contributed three edited book, one case book and one research book from reputed publishing house from India. A researcher by choice, he is an editorial board member of various National and International Journals. His work has been cited well both in SSRN top ten-download list as well as in Google Scholar. For his outstanding contribution in the field of marketing research he got National Education Leadership Award in 2019. He also obtained Outstanding Post-Graduate Faculty Mentoring Award 2020-2021 respectively in the year 2020.

Learning outcomes:

- It helps to know the participants about the challenges and opportunities of research
- It help to foster changes made in research credibility in NEP 2020
- To know the academic visibility of HEI for Research in NEP 2020
- Provide necessary informations regarding research dimensions to researchers
- for better development of the HEI and the society as well
