COURSE OUTCOME

Today's Print Journalists have to be versatile, flexible and adaptable and no print journalism institution instills these qualities overnight. Apart from teaching the Theories of Reporting and Editing, this Course provides a comprehensive knowledge about practical work and learns cutting-edge technologies, presentation formats and professional skills. Students will feel a newsroom environment with the pace, pressure and camaraderie that real-world Print Journalists experience. They dig for stories and will learn about Reporting, Writing, Editing, Layout and Photography.

The Course will help a Student to gather some experience so that he/she can compete in the job market and to step directly into a career as a Print Journalist or a Content Writer/Developer/Editor. A Student can work for Magazines, Journals, Newspapers and Websites. As a Content Writer he/she can work for all types of companies for their business/product/services brochures, promotional write-ups, press releases, content coordination for media and content for web.
