Dr. Debarati Das Deputy Registrar (Acting) and NSS Programme Coordinator University of Calcutta	Crash Course on CAS	<ul style="list-style-type: none">• Concept of CAS• Govt. Order related to CAS.• Rules, Regulation and preparation for CAS.

Theme of the Webinar:

Career Advancement Scheme (CAS) means Career Advancement procedure adopted by the University as per UGC regulations dated 30.6.2010. The UGC Regulation, 2010 stipulated that, previous regular service, whether national or international, as Assistant Professor, Associate Professor or Professor or equivalent in a University, College, National Laboratories or other scientific/professional organisations should be counted for promotion under Career Advancement Scheme (CAS). Entry level Assistant Professors (Level 10) would be eligible for promotion under the Career Advancement Scheme (CAS) through two successive levels (Level 11 and Level 12), provided they are assessed to fulfil the eligibility and performance criteria as laid out in Clause 6.3. of these regulations. CAS means vertical movement in Designation and Pay Scale on the basis of twin criteria of (1) Number of Years of Service and (2)

Academic Performance Indicators (API). A **Career Advancement Scheme (CAS)** is an essential component of a rigid faculty structure, whereby an individual faculty member can move to a higher designation and/or pay (AGP). The objective of the CAS related webinar is to help Faculty members apply under performance based Career Advancement Scheme (CAS) for promotion to various levels. .

About the Speaker:

Dr. Debarati Das is Assistant Professor of Political Science and presently the Deputy Registrar (Acting) and NSS Programme Coordinator of University of Calcutta. She received her Ph.D. in Arts in 2011 from the University of Calcutta. She has been a Postdoctoral Fellow in RTCHDS, IDSK (2016-17). Her research interests include Indian nationalist movement, intellectual history, gender studies.

Learning outcomes:

- Participants can know the rules and regulations regarding CAS.
- Participants can get Idea of related Government Order regarding CAS.
- It helps to develop an idea regarding do's and don'ts regarding CAS while starting career as Assistant Professor.
- Participants can create broad career plans and prepare themselves for API based promotion.

REPORT
on
JOINT ACTIVITY ON SELF-DEFENSE

DATE: 22/05/2023

PROGRAM TITLE: Joint activity on Self- Defense

Organized By: IQAC Sadhan Chandra Mahavidyalaya & Vidyanagar College

Venue: Room no 103, Sadhan Chandra Mahavidyalaya

Program Objective: A MoU has been signed between Sadhan Chandra Mahavidyalaya and Vidyanagar College with the objective of holding joint programs for the benefit of both the students and other stakeholders of the college. As a part of the agreement, a few programs are lined up, one of which was this self-defense activity for the students of both the students. The motive of organizing Self- Defense program was to provide individuals particularly girls with the knowledge and skills to defend themselves physically and emotionally in potentially dangerous situations. By learning self-defense techniques individuals develop a sense of empowerment and confidence enabling them to assert their rights and protect themselves from harm. Engaging in self-defense training helps individuals build confidence, assertiveness and resilience. It also helps the girl's students to combat victim-blaming attitudes and empower them to reclaim their safety and autonomy.

Program Outcome: An ex-army personnel was invited, to share their experience with the students, and inspire them to take up hand to hand combat. Through these program strategies such as situational awareness, effective communication and conflict resolution skills to de-escalate potentially violent encounters. This program helped in changing societal norms that limits women's freedom of movement and perpetuate gender-based violence. It offered a wide range of knowledge such as increased fitness, improved coordination and stress relief. By engaging in regular physical activity participants can enhance their overall well-being and develop a healthier lifestyle.
