Venue: Vidyanagar College, South 24-Parganas
Seminar room.

No. of Participants: 65 Students of Zoology Department, Vidyanagar college.

Department of zoology, Vidyanagar College organized a State-Level Student's Seminar to celebrate national science day on 28/02/2023 at Vidyanagar College, Vidyanagar, South 24-Parganas. Mr. Kingshuk Mondal, Director, BAN foundation delivered a lecture about life in cold blood and Mr. Bikramaditya Guha Roy, Naturarlist and author delivered a lecture about Backyard wildlife to our students. Students interacted well. Students listened to Mr. Kingshuk Mondal and Mr. Bikramaditya Guha Roy eagerly and asked queries to clarify their doubts. They also gave positive feedback about the class.

Mr. Bikramaditya Guha Roy, Naturarlist and author and Mr. Kingshuk Mondal, Director, BAN foundation (L to R).

Outcome of the Programme:

Students will learn about life in cold blood and back yard wildlife, which can develop critical thinking and real problem-solving skills in their practical life. The lecture will provide students with a well-rounded educational experience that they can benefit from in their academic and professional careers.
