Learning outcomes:

- Students learned the dynamics of South Asian politics.
- Students got answers to many questions related to Chinese interventions and its aggressive plans to expand and ingress into Indian territory
- The discussions were followed by a series of questions asked by the students which stirred up their interest in regional politics and area studies.
- Students also got an insight into the security scenario of the areas adjoining Nepal and Bhutan due to the China Factor
- The Teachers also got an idea as to how things were unfolding in the areas surrounding
