### Theme of the Webinar:

The title of the webinar is Soft Skill Development. Soft Skills training according to NAAC gives a comprehensive view of the perspective of application of skills which are expected in the present day work concept. The webinar thus aims to develop an interest towards receiving training in soft skills and to help them get placement in various arenas of work.

### About the Speaker:

Dr Kakali Bandyopadhyay is currently working as Professor, Department of Food Technology, Guru Nanak Institute of Technology, Kolkata. She obtained her PhD from the University of Calcutta. She was given the JIS Innovation Award in 2022, Dr. S. Radhakrishnan Bharat Shiksha Award in the year

2021, I2OR national award 2021 as Distinguished Teacher, by Ministry of MSME, Govt. of India (udyam-pb-20-0002405), 2021.

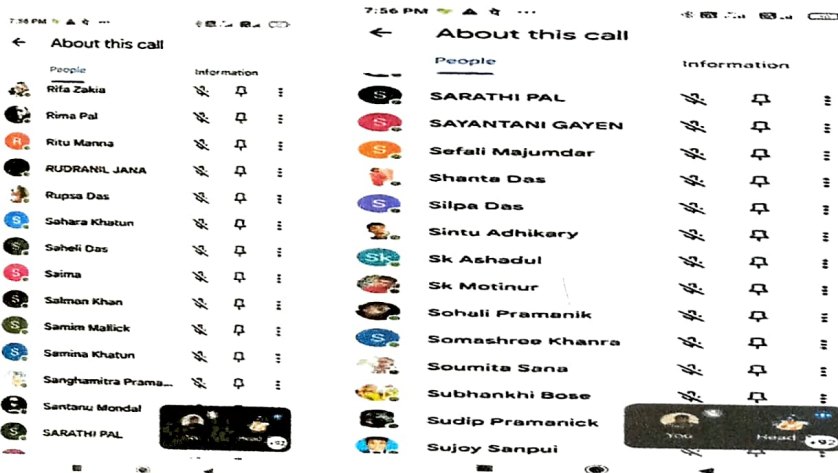

She successfully completed 6 projects and published 37 research articles in different national and international level journals and books. She also received 3 patents in her name as well.

### Learning outcomes:

- Participants can develop effective communication skills.
- Participants can develop effective presentation skills.
- It helps to develop all-round personalities with a mature outlook to function effectively in different circumstances.
- Participants can create broad career plans, evaluate the employment market, identify the organizations to get good placement, match the job requirements and skill sets.
- Participants can know how to take part effectively in various selection procedures adopted by the recruiters.
