## Report:

A one day Dengue awareness camp was organized by the National Service Scheme of our college on 10-02-2022 in association with IQAC. The programme Dr. Alak Kumar Chakrabarti had made all the arrangements for the camp. The camp was formally inaugurated by our principal, Dr. Surja Prakash Agarwala and gave awareness about the dengue, especially about various stages of Aedes mosquito and its various stages of growth like pupa, larvae, worm, insect, etc., He explained the symptoms of Dengue Fever, like continuous vomiting, knee pain, stomach pain, head ache, and body pain, and also gave practical awareness about where it will be in, like breeds in Flower pots, Water coolers, Refrigerators, and Wastages etc. The dengue mosquito prefers to bite its prey on the ankles, legs and knees. The Camp witnessed the enthusiastic participation of 45 NSS volunteers. The awareness camp was really conducive to keep the environment free from Dengue virus. The camp also disseminated a note of awareness to the volunteers who has undiminished concern for the society. NSS volunteers of Vidyanagar College participated in the dengue awareness program on 10/02/2022 to ensure that there is no garbage or standing water in the college premises where mosquitoes can breed. For this purpose they started cleaning the college premises and promised to do this work every day. The programme officer Dr. Alak Kumar Chakraborty delivered a speech and he also advised the students and people how to prevent dengue and what remedial measures should be taken to make the people aware about dengue.
