Quiz competitions are always interesting and informative, which provide excitement among the students. An “E-quiz competition” was organized by the NSS unit of Vidyanagar College on 12th January 2022. This event was organized to celebrate 159th birth anniversary of Swami Vivekananda. The prime focus of this type of activity is to encourage the students and widen their knowledge. The main objective of this event to make them aware of Swami Vivekananda, who is credited with raising the profile of Hinduism to that of a world religion. The event was organized in association with IQAC department of the college. The Quiz was unique in itself because it was held on virtual platform. The link was made active from 10:00 a.m. of the scheduled day. It was an individual event with participants from different educational institutions. There were more than 1000 participants in total. It was very informative and knowledge enriching competition for the participants. Virtual platform-based competition gives better experience to the participants.

The outcome of the quiz competition was that students were very responsive, well prepared, enthusiastic and followed the rules laid down. The level of the competition was kept on the lines of competitive exams so as to help students in their academic career and future job avenues. The students appreciated the effort made by the college in enriching their knowledge and learning.
