Name of the Programme: Health Check-up Camp

Date: 10th December 2019

No. of Participants: 18

Report:

With an intention to provide access of medical health care and generate awareness towards health among the underprivileged sections of the society, one day medical health camp was organised by NSS unit of Vidyanagar College in the locality. The programme specifically aimed at checking weight and height of the local children and providing required nutritional information to avoid malnutrition among the children. Technical support for this camp was provided by the students of the college along with team of doctors and stock of medicines respectively.

As per the schedule, on 10th December 2019 programme started at 11:00 a.m. and continued till 4:00 p.m. At the outset, Dr. Alak Kumar Chakroborty Program Officer of NSS unit of Vidyanagar College felicitated the doctors and briefly introduced the aims and objectives of this health camp. There were 29 children beneficiaries in the age group between 0-14 years. Among these children, 16 were female and 13 were male. De-worming tablets were provided by the doctors and the guardians were instructed about proper medication and all type of medical facilities available for their children in the nearby health center.

The success of the programme in providing basic health care facilities for the needy people was evident in the heartfelt cooperation and support from all the stakeholders till the end of the event. It is felt that organizing certain health camp in the community premise can benefit the needy section of the society in accessing health care facilities and generating awareness among people.
