Name of the Programme: Cleanliness Drive in Locality of Vidyanagar

College

Date: 2nd March 2020

No. of Participants: 35

Report:

We have all heard of the saying Cleanliness is next to Godliness, which means it is in clean places that God resides. Many would like to keep their houses clean but throw their household waste into the streets irresponsibly, which is harmful to the environment. Keeping in view this perspective of people an initiative was undertaken by Vidyanagar College to inspire young minds so that to stay clean and stay disease-free cleanliness should not be a one-time mission, it should be a practice and a daily habit.

N.S.S Unit of Vidyanagar College in collaboration with IQAC conducted a cleanliness drive in the locality of the college on 2nd March 2020 the programme was initiated by some inspiring words by the Principal. Dr. Agarwala in his speech emphasised on both personal and environmental cleanliness. Personal cleanliness is very important in order to lead a healthy life. At the same time, it is important to be considerate of the environment we live in and take accountability to keep our surroundings clean as well.

He also shared his view on a cleaner lifestyle which is helpful for the individual and everyone nearby. So, when making these small changes, their life will also have a bigger impact. He also insisted on sharing the same with their near and dear ones and help them to lead a clean and healthy life as well, and lead by being an example to them. The programme was completed successfully with active participation of both teachers and students of the college.
