Vidyanagar College Champions Girls' Hygiene Awareness Drive:

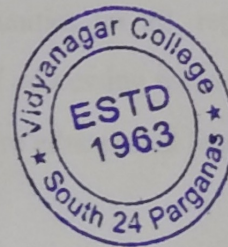

Vidyanagar College, situated in South 24 Parganas, West Bengal, spearheaded an initiative aimed at educating young girl students on hygiene practices. Girl students of the nearby Vidyanagar Balika Vidyalaya, located within a two-kilometres radius of the college, were the focal point of a comprehensive program held on March 9th, 2023, 2 P.M. onwards.

This initiative was orchestrated by the Sub-committee of Development and Service Cell for Girls in tandem with the Internal Quality Assurance Cell (IQAC) of Vidyanagar College. The Principal of Vidyanagar College personally liaised with the Headmistress of Vidyanagar Balika Vidyalaya to secure formal consent for their participation in the event.

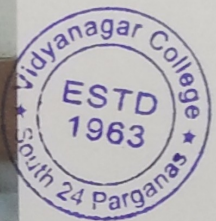

A timely notice, meticulously prepared by the sub-committee's Convener(s), was disseminated among students and faculty members informing them about the details of the event. The program featured an esteemed speaker who addressed the girl students, encouraging them to adhere to personal hygiene, especially menstrual hygiene.

Active involvement from teachers of both institutions contributed significantly to the program's enrichment. As a parting gesture, sanitary napkins were distributed among the school's eighth and ninth-grade students, enhancing their access to essential hygiene products.

Throughout the endeavour, the unwavering support of teaching and non-teaching staff members alike from Vidyanagar College was instrumental.
