Theme of the Webinar:

Gender sensitization presides over gender sensitivity, the modification of behavior by raising awareness of gender equality concerns. Sensitization, in the domain of Humanities and Social Sciences, is seen as an awareness informed propensity or disposition, which aims at changing behavior, so that it is sensitive to certain issues. Gender sensitization may be seen as "the awareness informed propensity to behave in a manner which is sensitive to gender justice and gender equality issues." This Seminar aims to achieve these goals of Gender Sensitization with the help of the innovative ideas contained in the Research Papers received from Students, Academicians, Advocates and Legal Professionals from all over India. Gender Audit is also a
