ACTION TAKEN REPORT ON THE ALUMNI MEMBERS' FEEDBACK

The IQAC had taken note of the Alumni members' feedback and concluded that while most of our former students have rated our college with positive responses nonetheless, the body emphasized on the following aspects which required closer scrutiny:

- The laboratories must be improved. They must be ICT compliant. More instruments especially for the Physics and Chemistry laboratories must be procured
- The College needs more teachers and for that necessary communications with the Government of West Bengal must be initiated
- While there is not much can be done with the examination procedure since it has to be conducted as per University of Calcutta's rules, the college can improve the tables and benches for the students.

On the basis of the above observations the following actions have been taken:

- The Physics and the Chemistry laboratories are undergoing a total overhauling. A new dark room has been set up. New racks for chemicals and desks with wash basins, gas lines, waste disposal lines for the Chemistry laboratory is being set up.
- The Governing Body has already resolved that the process of post creation has to be initiated immediately.
- New sets of tables and benches have already been procured.

ACTION TAKEN REPORT ON THE EMPLOYERS' FEEDBACK

The IQAC had taken note of the Employers' Feedback and concluded that while most of them have rated our students with positive responses. Nonetheless, the IQAC emphasized on the following aspects which we must address and work on it:

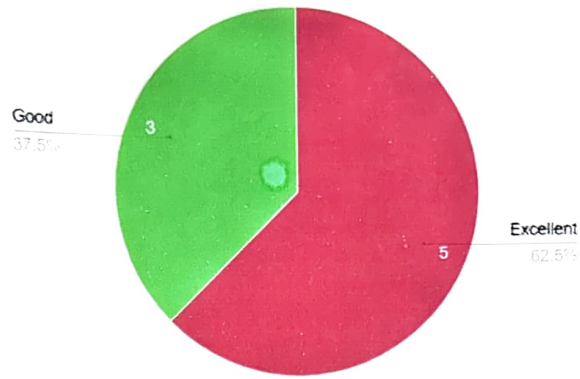

- ◆ The level of skill acquired by our students during their stay in our college is still not up to the mark.
- ◆ The College needs to design value added courses which would enable our students to make them more employable after graduation.
- ◆ There is an urgent need for our college to introduce counselling sessions for imparting entrepreneurial skills.

On the basis of the above observations the following actions have been taken:

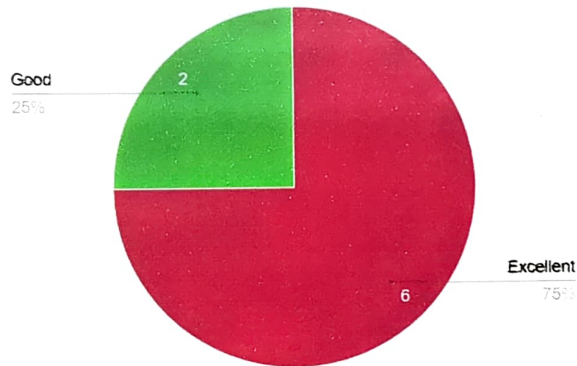

- The College has already introduced Value Added Courses.
- The IQAC organized a lecture on imparting Skills among students by Director of DDUKK, Mahishadal Raj College, Dr Sanjay Sen.
- The Department of Commerce has organized lectures on entrepreneurial skills and visits to BSE branch at Kolkata.
